REPRINT SERVICE

Reprints of your articles can be a valuable method of promoting your company and its activities.

You can choose between reprints:

- as two-sided full colour print (the article will be printed on A4 glossy opaque paper - 135gr);
- as digital version (the article will be saved as high-resolution pdf file and burnt onto a CD-R)

The reprint article may be:

- an exact copy of the original article
- modified by taking off/adding ads, logos, contact details, etc...
- introduced by one of our issues' front covers
